

Please answer each item true or false (T or F) by circling the appropriate letter. Please do not skip any items. It is important that you answer every item, even if you are not quite certain which is the best answer. An occasional item may refer to experiences which you have had only when taking drugs or alcohol. Unless you have had the experience at other times, mark it as if you have not had the experience.

Some items may sound like others, but all of them are slightly different. Answer each item individually and do not worry about how you answered a somewhat similar previous item.
